"Naturally Beautiful Skin"

3000 Skyway Circle North, Irving, TX

# HYDRA CRÈME

## CLINICALLY PROVEN RESULTS

The ultimate wrinkle minimizing complex that helps deliver smoother, firmer and healthier skin. A unique combination of four advanced amino acids and plant-derived neuropeptides help to minimize the fine lines and wrinkles.

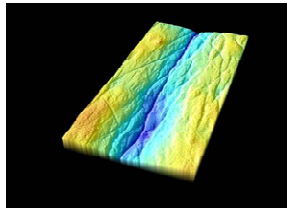

**26% reduction of wrinkle depth after just 3 weeks of use.**

**45% reduction of wrinkle depth after 2 months of use.**

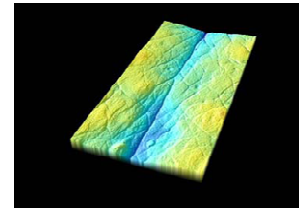

## KEY INGREDIENTS

To answer the need for a topical, gentle alternative to drastic procedures, SKIN LA-LA has developed a unique combination of ingredients, with a targeted activity against expression lines. This blend of ingredients includes a complex oligopeptide chain that is the correct molecular weight, allowing complete dermal penetration.

**ACETYL OCTAPEPTIDE-3** \* **PALMITOYL-OLIGOPEPTIDE**  
**PALMITOYL TETRAPEPTIDE-7** **HYALURONIC ACID**
